SUBJECT: Contract Draft Request: Marlboro Noches de Baile

Henry Cardenas has been awarded the business for execution of the Marlboro Noches de Baile dance program.

The program has been designed after the country nights competition, so a lot of the elements in his contract will remain the same from CCE's. Attached is a markup of CCE's contract with the applicable changes. One addition is that Henry will also be booking the talent for our regional events.

Please let me know if you have any questions or problems.
